

LEGISLATIVE – October 2022

**In the Cambridge English Dictionary defines “grassroots” as
“Ordinary people in a society or organization, rather than the leaders.”**

The American Legion’s Legislative Division uses VoterVoice as its grassroots advocacy platform for connecting American Legion members and advocates with their members of congress. VoterVoice allows The American Legion family to contact every member of Congress on large, national campaigns as well as target specific members on key committees that pertain to The American Legion’s legislative priorities. You become part of the American Legion “grassroot” movements when you register with Legislative Action Alerts, which allow us to engage Congress with ONE voice and ONE message.

Scan the LEGISLATIVE ACTION ALERT QR code on our website.

Just such an alert was called for in July for the “Pact Act” over 34000 American Legion members responded. As you know, it was signed into law by President Biden.

It’s never to late to hop onboard the *Friendship Train* and *Whistle* to support the needs of our veterans.

Mid-year report deadlines to District – December 1, 2022

Deadline to Department - December 15, 2022

As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them.
