All aboard the friendship train

This conductor would like to “wish you all happy holidays”

I know how crazy this time of year can get. **Remember to breath.** With all the holiday planning, we throw mid-year reports in the mist of everything else.

**Dec** (department executive committee) is right around the corner. I hope that you have made your reservations and will be joining the fun. January 13-15. You can find all the information on the department web site.

A big shot out to all of you who sent in essay titles. They will announce at DEC.

I know that you are all flying your Fags proud and high. Cause there ain't no doubt that we love this land—God bless the USA.

**Dates to remember:**

- December 7, 2022 national Peral harbor Remembrance Day
- Decembers 25, 2022 Christmas

Looking forward to working with you all next year and reading all of the fabulous essay that will be turned in march \_\_\_\_\_
