

The Friendship Train last stop was in Anaheim, CA for Mid-Year. During that stop we had such a blast. So many memories were made. I hope you all took many pictures and uploaded them to the website (pics@calegionaux.org). I want to thank all that have uploaded there pics.

Now The Friendship Train is moving full steam ahead to its next stop which will be Visalia, CA where Convention will be held. There, a lot of history will be made as well. I am not able to get all the picture and that is where you come in.

*Please remember to take pictures of special events. Please remember when sending the pictures to include information about the photo. Please include the **WHO, WHAT, WHERE WHEN and WHY** this is very important so our Department of California History will be recorded correctly.*

The photos and information from all Units, Districts and Department Events can be sent to pics@calegion.org and sent to postonwebsite@calegionaux.org for our Facebook page.

Thank you again to all that have been sending their photographs. I greatly appreciate you.

*Valerie Hill
