

**Past President Parley – Conductor Joan Cannon
March Bulletin**

Hopefully your unit has received numerous applicants for our \$4,000 Past President Parley's Scholarship. If not, there is still time to visit high schools and colleges to provide information to counselors. If you have visited high schools and colleges and haven't received any scholarships touch base with them. Maybe the applicant is having problems contacting your unit. If your hard work has paid off and you have scholarships, ensure the application is completed correctly. If you find a problem, contact them for corrections. The title page has all the requirements applicants must meet. If your review process is complete you can forward to me immediately or when you have completed your steps as long as I receive the package by April 21, 2023.
