

American Legion Auxiliary, Department of California  
**Ways and Means**  
May 2023 Bulletin

The Friendship Train is on its way to Visalia. There was a brief slowdown as everyone got in all their reports and Districts 14-15 continue to go full speed ahead preparing for the Convention.

We are excited to see everyone and hear about their accomplishments during 2022 and 2023.

We will be bringing the Past President Pins and charms as well as some of the program charms for the Italian bracelets with us to the Convention.

We may have a few surprises as well. Be sure to come by our tables and say hello.

A few basket ideas: Movie Night, Office Supplies, School Supplies, Handmade Gifts, Cozy Night at Home, Spa Accessories, Wine & Accessories, Game Night, Patriotic Decorator Items, Purses with Accessories, gift cards and on and on. Let your creative juices flow.

We hope all who can bring TWO baskets, **one for** the Ways and Means Committee and **one for** the wonderful District 14&15 Opportunity Drawings who work so hard to get the convention all set up and ready to go. The baskets drawings help the Department meet its goals and District 14-15 continue to be of service to our Department's needs. Your generosity is very much appreciated.
