

American Legion Auxiliary
Department of California
Membership
United As One
Bulletin #2
August 2023

Madam's President Glenda Schultz theme is "*UNITED AS ONE*" motto "California - the golden state." Membership will be known as the "Dept of Human Resources". Well keeping with California, "the golden state" one of California greatest resources in the 1800 was GOLD. "The Gold Rush" So, this year I would like it to be known that membership is more valuable than gold. Membership is our greatest human resources. It is all of you who make the Units, District, and the Department a valuable commodity. So, as we grab our gold pans and start mining for gold remembers it is all of us together panning for gold.

Many of you know that the Department and District had some set backs this year as we had 14 Units turn in their charters. What does that mean to us? It means that our membership goals have gone up

District/ Unit membership Goals are posted on the website.
