December 2023

Bulletin # 5

Merry Christmas and a Happy New Year! I am excited to announce we have a challenge from the Americanism Western Division Chairman! She will donate \$100 to the Department in our Western Division that starts/has the most Flag Corps (introduced by ALA members this year). She is asking for a photo to include the Chair's name and Unit number. The winner will be announced at our zoom meeting on January 25th. Please email your photos and information to the address below or text to the phone number listed. We can do this!!! A certificate that you can use to present to each member of the school's Flag Corps will be emailed to each district. If you would like to have a certificate. Email me your address and I will send you one.

I hope by now, certificates have been given out to individuals and businesses in recognition of "Flying our Flag". I have a suggestion! Ask yourself, "Do I fly our flag? Myself?". I proudly fly our Flag every day.

December Dates to Remember
