

Welcome all Leadership Chairman,

My name is Donna Mattox and I am your new Department Leadership Chairman. This year Madam Department President Glenda's theme is "United as One". The Leadership Program is the "Department of Community Services and Development".

I am really looking forward to an awesome year. As we head into Clovis I would like to have everyone start thinking of a Department Leadership Workshop. We need a District that would like to host our first one. I will also be at the Northern and Southern President's Workshop so if anyone has any questions or concerns.

Always remember anyone can be a leader. To be a great leader you must always listen, be honest, earn respect and know where to find the answers and be able to tell the person where you found it.

Looking forward to seeing you all soon. This Chairman is ready to hit the road for Leadership
