## **Operation Homefront Action Guide**

Operation Homefront (OH) was formed in February 2002 and is a 501(c)(3) nonprofit organization with a mission to provide emergency financial and other assistance to the families of our service members and wounded warriors.

Operation Homefront was established to support the families of deployed service members immediately following 9/11. Headquartered in San Antonio, Texas, today OH provides services to military families across the nation with 23 chapters serving 32 states. The national office provides case management services in states that do not have their own chapters. The majority of clients are the lowest-paid servicemembers; E-1 through E-6 enlisted ranks.

### **VISION**

Through generous, widespread public support and a collaborative team of exceptional staff and volunteers, Operation Homefront aspires to become the provider of choice for emergency financial and other assistance to the families of our servicemembers and wounded warriors. Where there is a need we do not provide, Operation Homefront will partner with others for the benefit of our nation's military families.

### **KEY SERVICES**

Operation Homefront provides direct services to alleviate a military family's or individual's actual/complete emergency financial burden, as well as counseling and/or recovery support. Emergency financial assistance, which an applicant receives within 24 to 72 hours of request, is in the form of checks paid directly to mortgage lenders, auto mechanics, contractors, hospitals, doctors, dentists and other providers. and should be, but this is the list I could find. Please take a look at the Operations Homefront Guide on the National website: [https://www.legion-aux.org/cmsdesk/ALA/media/PDF/Guides/ALA\\_Operation\\_Homefront\\_Action\\_Guide.pdf](https://www.legion-aux.org/cmsdesk/ALA/media/PDF/Guides/ALA_Operation_Homefront_Action_Guide.pdf) There are lists of suggested activities that include homefront celebrations, wounded warrior wives retreat, home repair, essential home items, morale donated items, morale holiday programs, and participating in community events.

Remember to track the number of veterans, service members, and their family members that you helped. Remember to track donations and any money spent so it can be reported in our end of year reports.
