

**American Legion Auxiliary  
Department of California  
Auxiliary Emergency Fund  
January bulleting**

It is with a heavy heart that I write this bulletin.

Well, here we go again, it seems like California cannot catch a break. My husband just came in to tell me that the Santa Anna winds have kicked up another fire storm in Pacific Palisades. I am praying for all my sisters and brother down south. There are now 5 reported fires that are threatening our families of the ALA. Some of our families have lost their homes and many more have been evacuated and displaced. Please keep all our members in your thoughts and prayers.

I encourage all of you to donate to the AEF program. This truly is a program that is geared toward members helping members.

If you need assistance remember that this is a national program, and you will need to get the application online at [www/ALAforveterans.org/AEF](http://www/ALAforveterans.org/AEF). The forms are also available on the department website under AEF.

You can also donate to the California disaster fund which is on the California donation form. Find this for under the audit/finance program. Applications for California disaster assistance can be found in the community service program.

Be safe.

I hope to see many of you in a few weeks at DEC.

Save travels.

May God bless all of you.

In Service Not Self,

Suzanne Winters, Chairman  
Auxiliary Emergency Fund  
ALA Department of California
