

American Legion Auxiliary  
Department of California  
Community Service  
April 2025 Bulletin

Greetings, Village People!

Spring is here, and with it comes a time of reflection, celebration, and preparation. April is a crucial month for Community Service, as we begin wrapping up another impactful year and look ahead to future opportunities. Your dedication has been the driving force behind countless acts of kindness, and now it's time to document those efforts while continuing our work!

It's reporting season, but the year isn't over yet! We need to ensure that all of our amazing community service efforts are properly recorded and recognized. **Unit reports to District are due by April 11th**, and **District reports to this chairman are due by May 1st**. These reports allow us to showcase the true impact of the Village and ensure that every act of service is accounted for. Please take the time to compile your activities and submit them on time. Your work matters, and sharing your successes helps inspire others!

The countdown is on! **American Legion Family Day is just around the corner on Saturday, April 26th**. This is our biggest Community Service event of the year and a fantastic opportunity to highlight all that the Village does.

Make sure you are working alongside The Legion, Sons of The American Legion, and Riders to open your doors to the community. Plan an event that engages, educates, and celebrates our mission. Whether it's an open house, service project, or recognition ceremony, let's show our communities the power of the American Legion Auxiliary!

Let's continue to inspire and support one another! Please share your completed projects and Family Day plans with this chairman. Your stories and photos help energize the Village and create a lasting impact. Don't forget to post your activities on social media and join the ALA Community Service Facebook page at <https://www.facebook.com/groups/ALACommunityService>.

While we are entering the final months of the program year, there is still more to do! The May bulletin will bring more updates and inspiration to finish the year strong. Let's keep the momentum going and continue making a difference in our communities!

In Service, Not Self,

*Rebecca Glenny*

Community Service Chairman
