

LEGISLATIVE

MAY 2025

Greetings everyone, here we are wrapping up another wonderful year serving our Veterans. I hope this finds all of you well and happy.

Thank You to all of our District Chairman that submitted End of Year Reports. The work that you continue to do for our Veterans is so impressive. It is very obvious that we do make a difference.

As we come to the end of our year remember that our continued purpose as the Legislative Committee continues to be providing information and assistance to our American Legion Auxiliary members so they can be a dedicated advocate for legislative agenda of the American Legion.

Throughout the year, we have seen many legislative changes and updates that impact our beloved Veterans. Our collective efforts in advocacy have led to meaningful advancements in policy and support. It is through your dedication and tireless work that we continue to achieve these milestones. Your participation in various legislative events and your commitment to pushing forward the agenda of improving veterans' lives have been nothing short of extraordinary.
