

Greetings Team...

Hot off the Press...

Congratulations to 851 Units for hitting the 100% Unit Award by 31 January.

Your 100% Unit Flag Ribbon will be mailed to your Department for distribution. Nice Job!!!!

This week's peek into numbers....

We continue to be a wee bit behind from where we were last year at reporting time....continue to hover around the 1000 or so mark; this week **1,242**.

We are all in this pot of membership together...the Membership Team is here to support in any way we can...which takes us back to an earlier email in the year from October 2nd, the snippet of *Which Step Have You Reached Today?*

We are all a part of the BIG picture in 'Membership', the foundation and building blocks of this fantastic organization 'Leading the Way', is not solely the responsibility of the Membership Chairs or Department Presidents, etc...the success depends on everyone taking 'part' and 'participating' therefore, ask yourself: 'Which Step Have You Reached Today?'

As you are 'Leading the Way' through this Membership maze, remember your 2024-2025 Membership Committee, we are here to help, support, guide and assist no matter which 'STEP' you see yourself at, Today or Tomorrow.

Joining the 85% Achieved Club this week includes the following Departments:

Department of California

Department of Delaware

Department of Michigan

Department of New York

Department of Wisconsin

85% Alumnae Departments achieved prior to this report date

Department of Arizona

Department of Florida

Department of Hawaii

Department of Maryland

Department of New Hampshire

Department of New Jersey

Department of Ohio

To all the Department Chairs, Unit Chairs and Members - Thank you for all the hard work and dedication..
