Taking a peek into how the Divisions stack up, but first...please note we remain lower at **422** than where we were at this reporting time last year. Keep in mind also to follow up with those 'Interest Forms' received.. 'Tomee Sue' at NHQ does a fantastic job providing all the tools and resources all neatly packaged in an email to the recipient of 'Interest' for a potential membership growth; it's the Department's responsibility to follow up; please reach out to your division chairs if you have questions.

**Did you know.....**So far for the year 2024-2025 membership year, 177 Interest Forms have crossed emails, with 35 already in the month of March....Let's be sure to follow up to the 'Interest'.

 **Western Division - 88.88%** up from 87.69%
