

Happy Wednesday All,

Pray everyone continues to be in good health and safe through all the various weather we are having across the country. Spring will be in the air soon.

Let's hop directly into the discussion for the week...

The overall picture in numbers - show that we are over the 500k mark, Yayyyyy, great job everyone...also just a pinch above where the numbers were last year by 116 members. The total percentage sits at **90.47%**, this is great news...we still have many weeks and months ahead of us to reach 100%.

In March we received an influx of Membership Interest forms. You are definitely shining and doing great work in your communities....if the numbers in interest forms are growing. What endless possibilities to grow the entire Legion Family just by following up on the interest request. Keep in mind....a follow up may take more than one outreach...Be committed!!

Just think George Jetson and his family as well as the Flintstones are waiting for the 'Just Ask'. Everyone is curious to know what all the excitement in the American Legion Auxiliary and Legion Family is all about and they want to join.

Just think of the possibilities if they are eligible....Lol

The Western Division continues to *Lead the Way*, however all other Divisions are within steps behind.

 **Western Division - 91.96%** up from 90.88%

Division Chair Maureen O'Brien Sacco

 **Eastern Division - 91.71%** up from 90.35%

Division Chair Karyl Horn

 **Southern Division - 91.33%** up from 90.46%

Division Chair Teresa Simmons Copeland

 **Central Division - 89.80%** up from 88.98%

Division Chair April Kollmorgen

 **Northwestern Division - 86.93%** up from 86.38%

Division Chair Lisa Moore

Congratulations to the following Departments....achieving 95% or higher:

*Arizona, Florida, Hawaii, Maryland, New Hampshire, Ohio.*

The 95% Department Award Deadline – May 23, 2025. Soon thereafter it will be 100%, and the 102% goal.

Remember, seating at the National Convention will be based on each department's percentage of their 2025 membership goal, from highest percentage to lowest

Have a beautiful rest of the week...keep up the fantastic work.
