

Keep on Mushing!!!

The Southern Division is still in the lead with 56.75% but the Central Division Mushers are closing in with 53.02%.

The Northwestern Mushers are still only a paw behind with 52.81.

The Western Division Mushers (50.44%) and the Eastern Division Mushers (45.29%) are certainly not out of this race.

We have just over 3 weeks until our first target date, Dec 7th. Who will meet us with 75%????!!!!

I'm attaching the New Member Welcome Letter that is found on the ALA National website.

Just "search" welcome and it pulls up. There is a lot of good information for new and seasoned members. It explains our Legion Family, our programs, the benefits of being a member, and much more. Check it out!

Have a great week, and MUSH ON!!!!
